What are outdoor Telecom cabinets?
Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.
What is Telecommunications in Azerbaijan?
Telecommunications in Azerbaijan provides information about television, radio, fixed and mobile telephones, and the Internet in Azerbaijan. The Azerbaijan economy has been markedly stronger recently and, not surprisingly, the country has been making progress in developing ICT sector. Nonetheless, it still faces problems.
