ifications FlexFusion Cabinets shall consist of a welded and assembled steel frame construction available in 600mm, 700mm, and 800mm widths, 1070mm and 1200mm depths and 42 RU, 45 RU, ...

Y2k Precision Sheetmetal Fabrication and machining services. Manufacture cabinets, chassis, enclosures, metal framing, mechanical assemblies, electronic ...

Discover how turnkey construction is streamlining industrial projects, offering faster timelines, reduced risk, and improved efficiency.

ZetaFrame Cabinet is a total, turnkey solution that integrates with power, cable and thermal management accessories to support next-generation compute. Secure and protect critical equipment ...

Pre-engineered outdoor cabinets, power modules and thermal management for telecom sites, data centers, and FTTH deployments. Built for fast integration, harsh environments, and scalable delivery.

From small, shielded enclosures and component housings to resist high heat, chemical and EMC environments through to large, walk-in rack cabinets, Captec ...

Y2k Precision Sheetmetal Fabrication and machining services. Manufacture cabinets, chassis, enclosures, metal framing, mechanical assemblies, electronic assemblies, and full system integration.

Your electrical and electronic components operate safely in industrial environments with the support of a wide range of enclosure models that boast simplicity, ...
