New 1500V HV Energy Storage Cabinets with 200A Large Current Connectors Waterproof Charging Plug & DC Power New Energy Storage

High Voltage DC contactor 300A /10-1500V for Charging Piles/Energy Storage High-Voltage DC Relay (KKA-KHC100)

Special power distribution cabinet for charging piles The XL-21 charging pile power distribution cabinet is a low-voltage complete set of equipment deeply customized based on ...

Today, we will talk about the DC 1500V system on the "charging pile supporting cabinet" of the four major subversive requirements, and how these requirements affect our daily charging experience.

The main products are: 3.6-40.5KV high-voltage switchgear, low-voltage switchgear, box-type substation and various cabinets, box-type substation shell.

Fully compliant with mandatory protection standards for terminal circuits in charging applications, the XL-21 ensures maximum safety and reliability. Tailored for optimal performance, it's the ...

MXR150050B is a high-power AC/DC charging module specially designed for high-end charging scenarios of electric vehicles.

Complete sets of distribution boxes, distribution panels, control panels, control boxes, power supply cabinets, electrical cabinets, etc.
