All-in-one cabinet includes battery pack, inverter, and BMS, ensuring simple installation and compact space usage. Delivers 15KW rated power and 31.3KWh usable capacity, supporting both energy ...

Discover our state-of-the-art lithium ion battery storage cabinets featuring advanced safety systems, intelligent battery management, and modular design for optimal energy storage solutions in industrial ...

We stock new and used battery cabinets in support of our energy storage packages, ups backup systems and rental UPS. Speak to a power expert to match up with your specific requirements.

With advanced BMS intelligence for precise State of Charge (SoC) and State of Health (SoH) tracking, these battery cabinets simplify installation, reduce maintenance, and optimize runtime.

We have been specializing in ICESS (Industrial and Commercial Energy Storage System) solutions for over 9 years. We currently have 87 employees, including 24 engineers.
