Who published the CPUC Energy Storage Procurement Study?

This work has been developed and published by Lumen Energy Strategy, LLC in Oakland, California under commission by the California Public Utilities Commission.

Where can I find a California energy storage procurement study?

You can find the California Public Utilities Commission Energy Storage Procurement Study at The study was prepared by Lumen Energy Strategy, LLC for the California Public Utilities Commission and was released on May 31, 2023.

What is California's energy storage procurement framework?

California's energy storage ecosystem, built since Assembly Bill 2514 and through 2021, includes a crucial component: the PU's Energy Storage Procurement Framework. This framework motivates the development of both demand and supply in the energy storage marketplace.

What is CPUC energy storage procurement study V Ancillary services?

Ancillary services in the CPUC Energy Storage Procurement Study provide grid operational flexibility and stabilization for reliable electricity delivery. CAISO ancillary services markets include non-spinning and spinning contingency reserves, and regulation up and down.

FEMP also supports federal agencies with energy procurement, specifically off-site energy procurement options. FEMP provides resources and assistance to federal agencies based on current federal laws ...

Customizable template for federal government agencies seeking the construction of one or more on-site solar PV systems.

Energy Storage Legislation Energy Storage Procurement to Date Energy Storage Procurement Evaluation Scaling Up and Crossing Bounds Energy Storage Proceedings Other Energy Storage Related Rulemakings Additional Resources To date the CPUC has approved procurement of more than 1,533.52 MW of new storage capacity to be built in the State. Of this total 506 MW are operational. The AB 2514 mandate is procured in three distinct grid domain targets, with some flexibility between the grid domain targets of customer sited, distribution-connected, and transmission connected....
