Who makes outdoor Telecom cabinets?

Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions.

What is an AP utility cabinet?

The AP Utility cabinet ensures wide-ranging indoor and outdoor functionality, including power distribution, fiber termination, telecommunications, security and surveillance, cellular backhaul, industrial controls, and CATV. Ready to protect your network infrastructure with American-made quality?

What are NEMA rated cabinets?

Our NEMA-rated cabinets are built to withstand whatever nature delivers. Each weatherproof outdoor enclosure is rated NEMA Type 3,4,5, or 6 and undergoes rigorous field testing to ensure reliability in demanding outdoor environments.

The cabinet features a compact box structure that allows for simple installation and boasts excellent sealing performance. Additionally, it achieves an IP55 protection level.

We specialize in high-precision, weatherproof outdoor communication cabinets engineered for extreme conditions. Our custom designs withstand high temperatures (-40°C to ...
