We are excited to announce that our customer's 20MW/40MWh utility-scale battery energy storage system (BESS) project, located in southern ...

Generac's SBE Commercial Battery Energy Storage Systems With energy ratings from 200 kWh to multiple MWh, our battery storage options are sure to fit your ...

GE's battery solution exceeds industry standards for protecting against common industrial battery failure and reduces environmental impact with restricted use of substances controlled by US EPA, Global ...

On July 20th, the innovative demonstration project of the combined compressed air and lithium-ion battery shared energy storage power station commenced in Maying Town, Tongwei ...

Gotion High-tech showcased multiple energy storage products, with its newly released Qianyuan Smart Storage 20MWh battery energy storage system making its first public appearance. ...

The \$16 million project, funded by the Global Energy Alliance for People and Planet (Geapp), started in November 2024 and expected to be ...

Generac's SBE Commercial Battery Energy Storage Systems With energy ratings from 200 kWh to multiple MWh, our battery storage options are sure to fit your microgrid system needs.

Developed in partnership with CBI, the REXC-1000 batteries offer extended cycle life in shallow service, ideal for energy storage systems. Through providing time shift/storage service, the 20 MW project ...
