Modular design with up to 2MW in 200kWh increments. Discover the SRC-2000, an advanced battery storage solution with up to 2000 kWh. Ideal for energy optimization and critical infrastructure support.

We provide modular battery storage cabinets and 20ft, 40ft energy storage containers that can be connected to inverters ranging from 100kW, 500kW 1MW, 2MW,3MW & 4MW from manufacturers ...

We provide modular battery storage cabinets and 20ft, 40ft energy storage containers that can be connected to inverters ranging from 100kW, 500kW 1MW, 2MW,3MW & 4MW from ...

Built, tested and optimized for the North American market for commercial projects. Equipped with integration controls for solar PV and generators. Backup power-ready and designed to support onsite ...

Features: 1-2MWh capacity, modular design, primarily liquid-cooled. Advantages: Stable battery supply chain and good cost control, suitable for the domestic market.

With rising energy demands and unpredictable grid performance, GSL ENERGY offers advanced commercial battery storage solutions that help businesses store energy during off-peak hours, avoid ...
