Sunway Ess battery energy storage system (BESS) containers are based on a modular design. They can be configured to match the required power and capacity requirements of client's application.

It can be used for utility scaled energy storage plants, wind turbine storage plants and commercial energy storage plants, and can also be used for small energy storage system, photovoltaic ESS ...

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the ...

Built for rapid deployment, our 500 kW capacity batteries are a fast way to increase your efficiency, on or off the grid. Packaged with everything you need - from fire ...

Featuring a split PCS and battery cabinet design, it offers 1+N scalability and integrates seamlessly with solar PV, diesel generators, the grid, and utility power.

BNYpower's Outdoor ESS Cabinet is an all-in-one containerized energy storage system that creates tremendous value and flexibility for commercial and ...

BNYpower's Outdoor ESS Cabinet is an all-in-one containerized energy storage system that creates tremendous value and flexibility for commercial and industrial customers. 500kW/1053kWh LiFeP04 ...

Each BESS container has either a 300kW or 500kW PCS system offering a complete, install ready energy storage system. All system systems are offered with either 400VAC or 480VAC 3 phase ...
