What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Where are outdoor Telecom enclosures made?

Every outdoor telecom enclosure we manufacture is designed, fabricated, and assembled entirely in the USA. Our commitment to American manufacturing means you receive consistent quality, faster lead times, and complete Build America, Buy America (BABA) self-certification documentation with every order.

What materials are used for outdoor enclosures & cabinets?

Explore Waterproof & Weatherproof NEMA-Rated Outdoor Enclosures and Cabinets with AZE! Durable Materials: Choose from galvanized steel, stainless steel, or aluminum for superior corrosion resistance and longevity.
