Whether you are powering your home, business premises, or off-site facilities, GSL ENERGY offers the most comprehensive and flexible 60kWh battery system series on the market.

The Namkoo 60kWh High Voltage Battery is a modular, rack-mounted energy storage solution designed for commercial and industrial applications. Utilizing a 614V high-voltage platform, it delivers high ...

Explore the Sol-Ark L3 HV-60KWH-60K, a 480V commercial indoor energy storage system. 60kWh capacity, highly scalable design, and smart BMS for optimal commercial energy management.

Configurable from 20kWh to 60kWh, it provides a flexible, safe, and efficient solution for commercial and industrial applications. With intelligent air-cooling, 6,500+ cycles lifespan, and global certifications, ...

A compact small-node Battery Energy Storage system (BESS), ideal for events, construction, and contractors - Our 60 kVA battery solutions help you reduce ...

Batterlution 60 kWh Energy Storage System (ESS) represents a cutting-edge commercial energy storage solution designed for versatile applications. Comprising six sets of battery units, each ...

Industrial-grade 60kWh high-voltage energy storage system, suitable for factories, microgrids, and energy peak shaving. Featuring modular stacking, high-voltage output, and full system-level BMS ...

The product is suitable for outdoor installation with an IP55 system level rating and a IP65 battery pack rating. The battery storage system is ideal for small scale commercial and industrial (C& I) ...
