What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

What types of battery cabinets and electronics enclosures does Aze offer?

AZE offers a wide variety of large outdoor battery cabinets and electronics enclosures for emergency backup UPS and solar storage applications. Our NEMA 3R Design Battery & Control Enclosures feature white polyester powder-coated aluminum, swing out door or chest style, filtered vents and an optional NEMA 4 design separate electronics enclosure.
