---

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the ...

The MG 25 is 3-phase, 480 VAC 250kw, commercial battery energy storage system utilizing 2 mG 125 systems in parallel. Expansion enclosures can be added to increase the battery storage from 440 ...

A complete mid-node battery energy storage system (BESS) with everything you need included in one container - Our 250 kW/575 kWh battery solutions are ...

Perfect for commercial rooftops, factories, and off-grid industrial projects. This 250kW solar + 631kWh energy storage system is a high-performance turnkey ...

The xStorage battery energy storage system (BESS) offers 250 to 1000 kWh of stored energy, providing eco-friendly backup power during outages and optimizes solar energy consumption, while also ...

Housed in a 20-foot container, this system integrates solar PV, energy storage, and advanced control components into a single unit, making it ideal for remote ...

Specializing in research and development of solar panel, lithium battery and BMS. Bluesun product has exported to more than 185 countries and regions since 2022.

A complete mid-node battery energy storage system (BESS) with everything you need included in one container - Our 250 kW/575 kWh battery solutions are used across a wide variety of sectors to ...
