Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion resistance in severe climates. Combines high-voltage lithium battery packs, BMS, fire protection, ...

Highjoule's outdoor cabinets can be customized for 3kW to 20kW continuous output and 10kWh to 200kWh of lithium battery storage. The capacity is scalable depending on site load, sunshine hours, ...

Highjoule's Outdoor Photovoltaic Energy Cabinet and Base Station Energy Storage systems deliver reliable, weather-resistant solar power for telecom, remote sites, and microgrids.

These weatherproof indoor/outdoor telecom cabinets are modeled after proven designs, and they are customizable to meet your needs. We can build to your specifications or take your ...

Custom solutions now offer hybrid systems that adapt like chameleons. Zhongxingfa's patent-pending cabinet uses liquid cooling for peak performance but switches to air cooling during ...

AZE's weatherproof Outdoor Enclosures provide durable, corrosion-resistant protection for energy, telecom, and industrial applications. Customizable, NEMA ...

We offer full customization of cabinet dimensions, internal layouts, cutout positions, structural reinforcements, and surface coatings to perfectly match your site needs.

From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.
