How to divide industrial modular cabinets into small compartments?

You can use layout kits to divide the industrial modular cabinets' drawers into many small compartments. Neat and organized storage improves efficiency. We created these kits to easily subdivide your modular drawers. Lyon also offers dividers and partitions so you can create your own layouts to meet your needs.

Why should you choose a modular mobile cabinet?

These cabinets come with external lock bars on both sides to keep the units safe and secure. You can get either foam inserts for pistols or partitions for rifles. Add a hardwood top for a place to do cleaning and repair work on your guns. Use our industrial modular mobile cabinets when you need tools and parts on the move.

Where can I find a Lyon modular drawer cabinet?

You can find a Lyon modular drawer cabinet in many warehouses and facilities. These steel cabinets feature all metal drawers. The handles include removable labels and clear shields. Each drawer has an overall capacity of 400 lbs per. The drawers fully extend so you can see 100% of the contents.

Are industrial modular cabinets safe for firearms?

With a few upgrades, our industrial modular cabinets become secure storage for firearms. These cabinets come with external lock bars on both sides to keep the units safe and secure. You can get either foam inserts for pistols or partitions for rifles. Add a hardwood top for a place to do cleaning and repair work on your guns.
