It is generally worth it to spend a bit more on a battery and get an extra 2 year's life out of it before you need to replace it. We sell batteries relatively cheaply, but we refuse to sell cheap batteries.

The Battery Shop offers competitive pricing on quality products and can tailor make a deal to suite your need. The Battery Shop offers a complete solution for various backup power options.

Find reliable battery solutions at First Battery Centre. From automotive to commercial batteries, trust South Africa's leading battery specialists.

They gave me the best price by far, much cheaper than anywhere else, plus still gave me an extra discount because I was in a tight spot. Very ...

Battery Power was established in 2002 to cater for the growing demand for affordable batteries. We supply batteries to the industrial and public sector.

They gave me the best price by far, much cheaper than anywhere else, plus still gave me an extra discount because I was in a tight spot. Very pleased. 10/10 recommend.
