Rentech Systems are your Renewable and Solar Energy Experts, with affordable quality products and solutions!! We do design, supply, solar energy installation, ...

Harare's Central Business District (CBD) is typically bustling with activity on a Monday morning, as people head to work, run their businesses, and take children to school.

Harare's average humidity of 65% requires specially treated battery management systems. Our cabinets use nano-coated circuit boards that outperform standard models by 30% in humidity resistance.

Our certified solar specialists provide round-the-clock monitoring and support for all installed home solar systems. From the initial consultation to ongoing maintenance, we ensure that your photovoltaic ...

In other news, Harare City Council has closed Zimbabwe's busiest long-distance bus terminus at Mbare Musika indefinitely. The closure is meant to pave way for renovations following the ...
