How many cabinet members are there?

There are 26 members: the vice president, 15 department heads, and 10 Cabinet-level officials, all except three of whom require Senate confirmation. During Cabinet meetings, the members sit in the order in which their respective department was created, with the earliest being closest to the president and the newest farthest away.

How many leaders are in the President's Cabinet?

The President's cabinet is made of 15 leaders of executive departments. This advisory body is appointed by the president and confirmed by the United States Senate.

How is the Cabinet established?

While not mentioned by name, the Cabinet is established in Section 2 of Article II, which states that the president "may require the Opinion, in writing, of the principal Officer in each of the executive Departments, upon any Subject relating to the Duties of their respective Offices ..."

What does the US Cabinet do?

The US Cabinet is a series of departments within the Executive Branch of government that are meant to advise the President on issues related to their respective offices. Each department has a secretary who oversees all department activity and reports to the President.

There are numerous AIC Factory locations that the player has access to in Arknights: Endfield. Learn about the AIC Factory Locations, how to unlock them, and more here!
