-----

My three dogs love all of the Icelandic treats, but they especially love the cod and blueberry and the cod cubes. Well, that's not true. They also love the fish. They are happy happy dogs since these ...

Packed with natural flavor and rich in Omega-3 fatty acids, our fish skin treats are made from wild-caught, sustainably sourced Icelandic fish. These crunchy, high-protein treats and chews support ...

Choose from small training treats or long-lasting natural dog chews, all made with Icelandic fish and USA-sourced beef. When you choose Icelandic+, you're choosing sustainability you can trust.

Satisfy your dog's natural chewing instincts with our Icelandic Cod Long Skins --a pliable, high-protein treat made from 100% wild-caught cod sourced from the pristine, icy waters of Iceland.

Icelandic+ Cod Skin Fish Pieces Dog Treats - Natural, Single Ingredient, Omega-Rich Give your dog a treat that's as healthy as it is delicious with our Icelandic Cod Skin Fish Pieces.

Icelandic+ makes healthy, all-natural pet treats using ethically sourced, pure Icelandic ingredients.

Our other hand-wrapped healthy treats include our cod-wrapped beef collagen chews and pig ear and fish skin dog treats--all made with Icelandic cod and USA-sourced beef and pork.

Crispy, fishy, and fresh from the Icelandic shore, your pet will love the all-natural crunch of our all-natural fish treats. Shop Icelandic+.
