Professional manufacturer of C& I ESS. High-safety liquid-cooled cabinets: 100kWh, 215kWh, 261kWh, 418kWh, & 522kWh. Factory price for battery packs & cabinets. Inquiry now!

SLENERGY provides advanced energy storage cabinets with intelligent control, high safety, and long-term performance for commercial and industrial power applications.

Featuring lithium-ion batteries, integrated thermal management, and smart BMS technology, these cabinets are perfect for grid-tied, off-grid, and microgrid applications. Explore reliable, and IEC ...

Discover our high-efficiency, modular battery systems with zero capacity loss and rapid multi-cabinet response. Ideal for industrial, commercial, and emergency applications, our solutions offer remote ...

Our battery storage cabinets are constructed with a modular design, providing optimal flexibility for businesses across various sectors. Our power storage cabinets also adhere to safety and quality ...

Housed in a single indoor cabinet, it combines a high-performance 50kW power conversion system with 100kWh of advanced LiFePO4 storage, ensuring safe, efficient, and reliable energy management.

With 15 years of innovation in battery and power systems, Wenergy manufactures battery energy storage system that integrates energy management into a modular, compact, and easy-to-deploy ...

Discover our high-efficiency, modular battery systems with zero capacity loss and rapid multi-cabinet response. Ideal for industrial, commercial, and emergency ...
