Unleash peak performance and unparalleled security with our Air-cooled Energy Storage System. This modular powerhouse seamlessly integrates AI-powered intelligence for optimized operation and ...

Delivers 100 kW rated AC power and 232 kWh battery capacity for industrial and commercial energy needs. Designed with IP55 protection, transformer isolation, ...

This supplier mainly exports to Pakistan, Germany, and Israel, offering full customization and design customization services. Products are certified, and the customer satisfaction rate is 91.7%.

The MEG 100kW x 215kWh Cabinet is engineered as a modular energy storage building block, ideal for commercial facilities, microgrids, and community-scale projects.

On January 4, 2025, a customer in Israel successfully installed a 100kWh GSL High-Voltage Industrial and Commercial Energy Storage System, utilizing our advanced Telecom Batteries.

Liquid cooling all-in-one solar battery storage system integrates advanced cooling technology with high-efficiency energy storage. 100kw 200kw lithium solar ...

Unleash peak performance and unparalleled security with our Air-cooled Energy Storage System. This modular powerhouse seamlessly integrates AI-powered ...

Designed for remote islands, this advanced solar microgrid harnesses solar and wind energy with intelligent power management to deliver reliable, clean electricity. This innovative solution enhances ...
