I am Italian American and would say these are neither "typical" Italian-American, nor what you would call "authentic" Italian. My impression was that they tried too hard to be ...

In this sub you can discuss the Italian language, look up or share italian learning tools, ask for help in your Italian studies, and post or browse Italian content useful for your learning experience.

Founded by Giorgio Chilese, CGM has turned small projects into a successful industrial business, establishing its position as a manufacturer of high-quality Generating Sets.

COELMO's generator sets range from 3 to 4,000 kVA and, thanks to their customisability, are the best choice for both commercial and industrial applications to suit different business sectors.

The Perin Generators Group is specialised in the production, sale and rent of current generators and electric generating sets with power levels between 2 and 12,000 kw. The company has ...
