Are slimline cabinets IP54 or IP66?

The SlimLine Series cabinets are designed for outdoor or indoor projects and range in IP ratings from IP54 to IP66. The Slimline Range has a compact footprint which makes them ideal for smaller spaces. Designed and manufactured in Australia, the range brings a fresh modern look to energy storage.

What is a lithium ion battery charging and storage cabinet?

The new Justrite lithium ion battery charging and storage cabinet provides the ideal storage solution. Featuring ChargeGuard(TM) technology, this new cabinet was designed especially for minimizing the risks of battery fires and thermal runaway that arise when storing and charging lithium ion batteries in the workplace.

What is a lithium-ion battery charging Safety Cabinet?

Justrite's Lithium-Ion battery Charging Safety Cabinet is engineered to charge and store lithium batteries safely. Made with a proprietary 9-layer ChargeGuard(TM) system that helps minimize potential losses from fire, smoke, and explosions caused by Lithium batteries. [Shop Now](#)

What are Justrite Li-ion battery charging and temporary storage cabinets?

The new Justrite li-ion battery charging and temporary storage cabinets were designed to reduce the risks of battery fires and thermal runaway.

Engineered for use with most type of battery terminal models, these cabinets can fit a wide variety of applications. This solution is completely customizable and ...

Intelligent BMS, providing complete protection. Support high discharge power, IP55, natural cooling, wide temperature range: -20°C to 55°C. Modular design, easy to expand. Suited to ...

Engineered for use with most type of battery terminal models, these cabinets can fit a wide variety of applications. This solution is completely customizable and flexible to support your application ...

With an IP66 rating, pre-wired plug-and-play design, and slim wall-mounted form factor, this cabinet is ideal for homeowners seeking a discreet yet robust battery storage solution.

Easy-to-use plug & play design with integrated DC cables, DC Busbar & DC circuit breaker, allows easy installation of up to 4x LiFe or ECO P Series Lithium Ferro Phosphate Battery.
