Featuring advanced temperature control, robust safety protocols, and a flexible modular design, it delivers reliable power storage with unmatched efficiency and ease of use.

Outdoor cabinet products use high-performance LFP cell, cycle life up to 8000 times. Products adopt an active balance solution, built-in cloud equipment, support remote maintenance and monitoring, and ...

This solution significantly reduces power consumption in large-scale deployments while maintaining precise control over temperature and humidity (±0.5°C / ±5% RH).

Our BESS is modular, which means you can mix and match cabinets to suit your system requirements. Plus, it comes in two variants, AC Single Bay and AC ...

Outdoor cabinet products use high-performance LFP cell, cycle life up to 8000 times. Products adopt an active balance solution, built-in cloud equipment, ...

Discover our high-efficiency, modular battery systems with zero capacity loss and rapid multi-cabinet response. Ideal for industrial, commercial, and emergency applications, our solutions ...

Explore StackRack's modular battery systems for residential, commercial, and utility-scale projects. Offering expert design, engineering and project management.

Our BESS is modular, which means you can mix and match cabinets to suit your system requirements. Plus, it comes in two variants, AC Single Bay and AC Dual Bay. Medium BESS ...
