Sunrange Solar Outdoor Battery Cabinet 50kwh 80kwh 107kwh Energy-Efficient Lithium Battery Cabinet

The compact design of the cabinet allows for easy installation and space optimization. With a capacity to store solar power, reducing their reliance on ...

Ideal for small commercial and industrial applications including office parks, commercial buildings, and EV charging stations. This product employs a modular design, featuring an externally mounted ...

Our main products include low voltage and high voltage battery packs, on and off grid hybrid inverters for households, commercial and industrial applications. We ...

Our main products include low voltage and high voltage battery packs, on and off grid hybrid inverters for households, commercial and industrial applications. We also have the all-in-one hybrid generator ...

Comprising eight sets of battery units, each harboring a formidable 10.75 kWh energy capacity, the ESS culminates in an impressive total storage capability of 80 kWh.

The compact design of the cabinet allows for easy installation and space optimization. With a capacity to store solar power, reducing their reliance on traditional power sources.

Superior outdoor performance with our cutting-edge solutions crafted specifically for Commercial and Industrial (C& I) applications. Our products utilize a multi-sole series battery pack, strategically ...
