These technologies include preparation methods for key materials such as lithium-ion battery cathode materials, anode materials, electrolytes, separators, and lithium-ion battery pack management ...

We have more than 10,000 square meters of production workshop, more than 198 workers, more than 10 years of production experience in the solar panels and gel battery industry.

50kW/100kWh outdoor cabinet ESS solution (KAC50DP-BC100DE) is designed for small to medium size of C& I energy storage and microgrid applications. ...

Battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment. Our battery ...

As superior photovoltaic manufacturer, HITEK ENERGY"s dedicated to providing sustainable and renewable energy solutions to strengthen homes, businesses and factories.

Cooperate with solar panels to form an energy-saving and green photovoltaic storage system, making it easier to build an independent energy storage system for residential and commercial use.

Bypass cabinet is designed to be used together with bidirectional battery inverter and PV inverter to realize seamless transfer between on and off grid mode automatically.

50kW/100kWh outdoor cabinet ESS solution (KAC50DP-BC100DE) is designed for small to medium size of C& I energy storage and microgrid applications. Individual pricing for large scale projects and ...
