Nestled in the rugged hills of northern Portugal, the Porto Novo Pumped Storage Power Station stands as a marvel of modern energy engineering. Located near the Douro ...

We take pride in offering high efficiency solar panels, top-quality solar inverter and solar battery, advanced integrated solar systems, and valuable energy storage solutions to our customers.

A Moroccan textile plant reduced its monthly energy bills by 42% after installing Porto Novo cabinets. The system stores excess solar energy during daylight and releases it during peak tariff hours.

This achieves an integrated "PV + Energy Storage" solution. The cabinet system adopts a modular design, allowing flexible configurations for photovoltaic, batteries, and loads, meeting various user ...

This achieves an integrated "PV + Energy Storage" solution. The cabinet system adopts a modular design, allowing flexible configurations for photovoltaic, batteries, and loads, meeting ...

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the ...

Nestled in the rugged hills of northern Portugal, the Porto Novo Pumped Storage Power Station stands as a marvel of modern energy engineering. Located near the Douro River basin, this ...
