How big is the Europe solar PV market?

The Europe solar PV market size crossed USD 63.1 billion in 2024 and is set to register at a CAGR of 7.1% from 2025 to 2034, due to the growing focus on green energy and net zero initiatives.

How much money is invested in solar PV in the EU?

Until recently, capital investments in solar PV in the EU were on a steady upward trajectory, rising from around 19 billion EUR in 2020 to around 60 billion EUR in 2023 (see Fig. 2). However, the trend shifted significantly in 2024.

Which sector dominated the European solar PV market in 2024?

However, the utility-scale sector dominated in 2024, capturing 42% of the market - an increase from 36% in 2023 and its strongest performance in the past five years. The European solar PV market is poised for continued growth, but the explosive expansion driven by the energy crisis is now subsided.

Will the European solar PV market continue to grow?

The European solar PV market is poised for continued growth, but the explosive expansion driven by the energy crisis is now subsided. In the coming four years, growth is expected to stabilise at a more moderate annual rate of 3% to 7%.

Module prices are expected to hit bottom in Q3 2025 and rebound moderately in Q4, marking a critical window for businesses to lock in costs. By the third quarter of 2025, solar module ...

Our analysis suggests that the costs of solar-PV manufacturing in Europe at scale for the full value chain will be at a 20 to 25 percent ...

The European solar photovoltaic (PV) market is segmented by inverter type, end user, deployment, and geography. By type, the market is segmented into thin-film and crystalline silicon.

Module prices in European wholesale markets fell to record lows, dropping by an average of 35% between January and November 2024, driven by declining supply chain costs and ...

The price of solar PV modules has decreased significantly over the past decade, with the cost of solar power falling below grid parity in many parts of Europe, thereby increasing market competitiveness, ...

Price of 20kw pv distribution for european mines
