Fortis Energy has announced the acquisition of a significant 180 MW (AC) solar project with an integrated Battery Energy Storage System (BESS) in Sremska Mitrovica, Serbia.

Serbia's Nocaj 1 Solar Plant Integrates 36 MWh of Serbia solar battery storage in Q2 2026 Serbia is taking a significant step forward in modernizing its energy infrastructure. The Nocaj 1 solar ...

Investors in Serbia are obtaining approvals for connecting their planned battery energy storage systems of an overall 2,021 MW and 5,899 ...

Fortis Energy is set to begin installing a 36 MWh battery energy storage system (BESS) at the Nocaj 1 solar plant in Sremska Mitrovica, Serbia, in the second quarter of 2026. This will be the ...

Fortis Energy has secured a construction permit for a 270MW PV plant combined with a 72MWh battery energy storage system in Serbia.

Turkish Fortis Energy is set to install a 36-megawatt-hour (MWh) battery energy storage system (BESS) at the 135-megawatt-peak (MWp) Nocaj 1 solar plant in Sremska Mitrovica, Serbia. ...

Serbia is set to host one of the largest integrated solar and battery storage projects in Southeast Europe, marking another milestone in the region's renewable energy expansion.

Fortis Energy has acquired a 180 MW solar project including a 36MWh battery energy storage system in Sremska Mitrovica, Serbia. The photovoltaic solar asset is "expected to be one of the largest solar ...
