What is a portable solar generator?

The solar panels used in conjunction with a portable solar generator are mobile and easy to manipulate. Unlike the panels found on residential or commercial properties, they are smaller in size and have a lower wattage capacity, which means less solar input than their larger counterparts.

Does the Generac battery generator come with solar panels?

The Generac battery generator for home use doesn't come with solar panels, but we charged it using our own EcoFlow 400-watt portable panels. With the EcoFlows, it went from 28 percent to 100 percent in just under 5 hours, though charging time will vary based on panel capacity and weather conditions.
