What is a telecoms cabinet?

These cabinets are enclosures that wrap around a telephone mast to house equipment for the mast. This telecoms enclosure is made from pieces of stainless steel with a powder coated finish. Precision design, immaculate finishing and swift manufacturing were required for a new electrical cabinet/box for an automated production machine.

Who are Orion rack cabinets?

Orion was established in 2002 as a UK manufacturer & retailer of 19" Server Racks and is now a recognised and reputable brand in the industry with global presence as a leading UK manufacturer of 19" Rack Cabinets, Server Racks, Data Cabinets, Datacentre Solutions and Industrial Enclosures. © 2025 Orion Rack Cabinets, All rights reserved.

What are nVent Schroff outdoor modular double cabinets?

nVent Schroff outdoor modular double cabinets provide durable, weather-resistant housing for communication equipment. Designed for harsh environments, they ensure reliable performance and protection. These cabinets enhance the resilience and efficiency of outdoor communication infrastructure, supporting critical operations seamlessly.

Our experienced CAD team can modify existing cabinets to suit a new product line or design an enclosure from scratch to suit your needs. No need to fit a square peg in a circular hole anymore.
