What is a lithium ion battery charging and storage cabinet?

The new Justrite lithium ion battery charging and storage cabinet provides the ideal storage solution. Featuring ChargeGuard(TM) technology, this new cabinet was designed especially for minimizing the risks of battery fires and thermal runaway that arise when storing and charging lithium ion batteries in the workplace.

What is a simple battery cabinet?

Simple battery cabinets are usually charging cabinets for lithium-ion batteries. These cabinet types are characterized by the fact that they have a charging option for rechargeable batteries /mobile devices. Depending on the battery cabinet and design,these are usually one or more 230V sockets and increasingly also USB charging sockets.

Why should you choose Lista battery charging cabinets?

The battery charging cabinets from LISTA offer an attractively pricedand very versatile option for storing and charging the batteries of smartphones,tablets,notebooks and many other devices.

What is a lithium-ion battery charging Safety Cabinet?

Justrite's Lithium-Ion battery Charging Safety Cabinet is engineered to charge and store lithium batteries safely. Made with a proprietary 9-layer ChargeGuard(TM) system that helps minimize potential losses from fire,smoke,and explosions caused by Lithium batteries. [Shop Now](#)
